

# CONNECTIONS

*The Newsletter of the Ewing - Covenant Presbyterian Church – December 2021*

## **Our Vision**

Ewing-Covenant Presbyterian Church is called to be a church where people seeking hope find the light and love of Christ and together, joyfully serve the community with abiding love and purpose.

## **Our Mission - As a church**

We find and share the light and love of Christ in prayer, in worship, in fellowship, and in service. We welcome the rainbow of God's children, and we embrace our differences. We gather to develop relationships with God, with each other, and with the world. We are inspired by the Word of God as proclaimed through music, and our love of music strengthens our relationship with the community. We empower others to embody grace, mercy, justice, and peace, guided by the light and love of Christ. We purposely demonstrate compassion, understanding, and generosity to others, inspired by the love of Christ. We open our hearts and our doors to those seeking hope, wholeness, wellness, acceptance, and a place to be seen.

## Letter from the Pastor

Tis the season....

If we listen to the marketplace, this is the season to shop! Given the disruption in the supply chain due to the pandemic, retailers are fanning the fear of scarcity: fear that we might not be able to buy that perfect Christmas gift (or receive it from someone).

An ad featuring a Cartier wristwatch (or is it wristwear?) piqued my interest this morning. It pictures a handsome watch-- seeming to elude gravity--suspended in a translucent white and gold box. The accompanying words are "Shop the perfect gift...." The overall message drew me into a marketplace mindset. A mindset of meeting needs by seeking what seems perfect, comes at a high cost, and from a source outside of myself. Not surprising, I felt angst and even anxiety.

But instead of rushing to the marketplace for relief, I slowed down to experience my life, today, now. There, anchored in God's time, I tucked myself into this season of Advent. There, I contemplated the comfort of the Advent wreath, with its candlelight that stirs hope, peace, joy, and love within me. And I understood that all life is infused with the clear light of the Christ child.

Such is the perfect gift this season.....the anticipation of the birth of a vulnerable baby. A baby arriving in a broken world. A baby without simple clothes., And a baby without any power at all to survive, let alone to save the world. Such is the gift each of us already has. It is God's abundant love and grace within us. And it is a gift we are free to share with each other, at any and all times. It is a gift we are meant to give away as God's light for this world.

Peace

Pastor Ann

## RETURN TO CHURCH COMMITTEE

**Sunday Morning Guidelines** We welcome you as you enter for worship this morning. As you enter, we ask the following of you:

1. If you have not already done so, please fill out a "Hold Harmless" form. Remember that you only need to do this once. \*
2. Fill out the Health Form for the day. This helps us know who is present so that we will be able to track who was in attendance should it become necessary for any health-related reason.\*
3. We ask that you remain masked until you leave the worship service and are again outside.

\* For your convenience, an updated [COVID Screening Questionnaire](#) is now available on the church website.

### WHY DO WE ASK THAT YOU CONTINUE TO WEAR A MASK?

First, know that the Return to Church Committee and the Session are continually examining our protocols and procedures related to the COVID Pandemic. We realize that the State of New Jersey has eliminated almost all restrictions for those who are vaccinated and recommends social distancing and masking for those not vaccinated be continued. Yet, the Pandemic continues to be with us, and the new variants of the disease is heavily striking the unvaccinated. And, while the effectiveness of the vaccine is incredibly high, it is still possible for a vaccinated person to contract Covid while suffering symptoms at a less dangerous level.

While the percentage of our congregation who have been vaccinated is high, we also know that there are those in our midst who are not able to be vaccinated for any number of reasons, including choice. We are an open congregation, welcoming any and all who come to gather with us in worship. We ask that all who attend our worship in person remain masked in order to respect and protect everyone, from the youngest child who cannot be vaccinated, to the oldest person who has been vaccinated but is still vulnerable to the Covid virus. It is for "the least of these" in our midst that we will continue to ask people to wear their mask during in-person worship.

We recognize that masking is difficult for some. If your mask becomes unbearable, we encourage you to step out of the worship service (yes, even during the sermon) and remove your mask once you have passed to the outside.

## Visioning Team Update

“We’re off to call a pastor!” Step-by-step, the Visioning Team has been walking through the steps required for calling a pastor. Thus far, we’ve developed our new Vision and Mission statements, held congregational dialogues and retreats through whereby members of the congregation asked questions and conveyed their input to the visioning process. The remaining steps are illustrated in the flowchart below.

During November and December, the team is drafting a Mission Study Report, an honest and extensive assessment of where the congregation(s) has been, where we are, and where God is calling us. Once completed, it will be presented to the Session and then to the Committee on Ministry (COM) of the Presbytery for review and approval. This document is critical to the call process because it is a key component of the information provided to individuals who might apply to be our new pastor. Once approved, we will be ready to elect a Pastoral Nominating Committee (PNP)! We are hoping to complete this document by January.

Your help is needed! 1) You will be receiving a survey requesting your input into the qualities you think our new pastor should have. Please complete and submit it promptly. 2) Pray for us. 3) Also, please be sure to share your ideas and questions with any member of the Vision Team. The team really wants to hear from you directly.

The Visioning Team

Sandra Austin, Barbara Brezak, Joanne Durham, Rick Durham, Don Lovett, Ralph Sims

¡Hola!

Want to speak a little Spanish? Eastern Service Workers Association (ESWA) has many members and volunteers that speak Spanish, and several of our English-speaking volunteers want to be able to speak with them! We've found a volunteer teacher and are working on details. If you are interested in participating, please let Sandra Austin know (609-658-2379). ¡Gracias!

**Pledge Envelops for 2022 are ready for Pick Up.**

Some church members and friends are no longer using pledge envelops. Your giving has shifted to a monthly basis, you use your own envelops, or you contribute using electronic means. We have noted your preference, and have not ordered 2022 boxes on your behalf.

For those of you who continue using pledge envelops, please know that new boxes for 2022 have arrived and will be available for pick-up in the worship space on Sundays in December. You may also pick up your box during the week, or request that it be delivered to you by calling the church office 609-882-3673, and speaking with Debbie Pelsinski.

If you are a person who has not been using your pledge envelops but find that you want to resume to using them, extra boxes have been ordered and are available.

*If you would like to make a donation toward memorial poinsettias please fill in the tear-off below and put it in the offering plate or return it to the church office.*

*The suggested donation for poinsettias is \$15.00.*

## Have you paid your 2021 Per Capita Assessment?

Each congregation is asked to pay a Per Capita Assessment to the Presbytery each year. The Per Capita Assessment basically is our dues to the PC(USA). The funds are used to pay the operating costs of the Presbytery, the Synod, and the General Assembly. It also various mission causes. **The assessment for 2021 is \$34.50 per person.** The church must pay this amount, irrespective of how much it collects from its members. So far this year, only about half of the members of E-CPC have paid their 2021 assessment to the church. We understand that some individuals are in financial situations where they cannot afford to pay this year. The church will gladly pay this amount on your behalf. But, perhaps you simply have forgotten about it, or did not even know that you owed this amount?

There is an envelope near the front of your box of offering envelopes, but you can merely write a check, put it in a plain envelope, and send it to the office or drop it in the offering plate on Sundays. Be sure to write "Per Capita" in the memo line of your check for \$34.50 per person.

Thank you very much for remembering to pay this.

PLEASE BE ADVISED:

The Presbytery of the Coastlands voted at its recent November 23rd meeting to increase "per capita" to \$40.00 for 2022. If you have questions, speak with Pastor Ann, or Elders Will Olson and Pam Miller

## *Advent Devotions*

Hope is hard to find during a long pandemic. Dark feelings of grief, loss, anger, betrayal and despair plague our souls and our communities. As the light fades and the evenings grow long this December, the season of Advent reminds us that *God is with us in the night.*

Advent is a time of preparation for the birth of the Christ child. This year, Advent begins on November 30. **Our devotional series will be provided in weekly installments both by email, printed copies on the table at the back of the Worship space and in the church office.** The Christian Education committee hopes you will find this to be a valuable way in which to deepen your spiritual walk with God.

These devotions guide us to observe God at work in the dark, marvel at the beauty of creation lit by moon and stars, and rest from the day's labor. Darkness is often associated with evil and suffering, but a devotional exploration of "night" bears witness to Christ's Good News. Exploring biblical happenings that occur at night – visions, angel visits, prisoners set free – we will move through this Advent season as watchful disciples, keeping vigil for the One who is promised to arrive like a thief in the night.

The Adult Education Classes during Advent in *Celebrating the Child in our world and in all of us.*

- December 5 Rosa Ross will lead a session on *What Does it Mean that God Became a Child?* which will investigate how we think about Jesus on the cross in relation to Jesus as a helpless baby.
- December 12 Pam Hoffman will present *The Littlest Angel* and we will share memories about childhood experiences celebrating the Christ Child.
- December 19 Explore the story of *The Other Wiseman* or the fourth wiseman and talk about the journey to seek and find the Christ Child.

Offerings and ways to reach out to others:

**Congregational Christmas Card.** We donate the postage we would have spent on stamps for the card. This year we are asking people to send their donation by mail, electronically or deliver to the Church Office or we will have a signup sheet at worship on Sundays in December. Please write on the memo line Christmas Card. The names will appear in the January newsletter. We will begin receiving this offering after November 28<sup>th</sup>. The committee is recommending to the Session that the money given this year goes to **Presbyterian Disaster Relief for Hurricane relief.** An article will appear in the January newsletter.

**Who do we choose to donate to this year? Task; Arm in Arm;?**

**The Christmas Joy Offering.** You will be receiving in the mail a flyer and envelope for this offering (one of the 4 major offerings of PC(USA)).

*“God is with us”. Matthew 1:23*

**The Christmas Offering** will be taken with envelopes already in the congregational pledge boxes may be delivered, sent either by mail or electronically. This offering will be reported to Session at the January meeting of Session to decide where this financial offering might be best used at this time. The Offering is usually received during the Christmas Eve Service. Write Christmas Offering on the memo line.

*Thank you*

for your support of the  
PC(USA) this #GivingTuesday!

Thank you for your support of the Presbyterian Church (U.S.A.) on **#GivingTuesday!** Together we raised over \$145,000, and the gifts continue coming in! Your generosity will help the Presbyterian Church (U.S.A.) live out our call to be a Matthew 25 Church by addressing systemic poverty, structural racism, and congregational vitality.

If you missed portions of yesterday's live stream, we invite you to visit our [Facebook page](#) for videos and highlights.

## Please Complete the Pastor Characteristics Survey

Our congregation is in the process of preparing to call (i.e., hire) a new installed pastor. The Visioning Team is tasked with preparing a report called the Mission Study. The information contained in the Mission Study will be used to prepare something called a Ministry Information Form, which essentially is a very detailed job ad for the new pastor. One important component of the Mission Study will be a description of the characteristics needed in the person who is open to being called to our congregation.

The Visioning Team needs your input to help define the qualities a pastor will need to lead our congregation into our future Vision and Mission, and to care for the needs of our church family. Please complete the **Pastor Characteristics Survey** as soon as possible.

The survey is being made available as both online and paper versions. You may complete either version, but please complete the survey only once. However, each person in a household should complete their own copy of the survey separately. If you complete the paper version, you may mail it to the church, drop it off at the church office, or drop it off in the box provided at the back of the worship space.

Paper versions will be handed out in the worship space on Sunday, November 21<sup>st</sup>. Paper copies also will be mailed to those who normally receive paper copies of the newsletter in the mail. For those who prefer to respond online, the link is provided here:

<https://forms.gle/oCd5BrsfMfuLLhc8A>

**Please complete the survey and return it no later than December 19, 2021.**

Thank you from the Visioning Team.
